The Magic of Ullas

From the desk of Col M Vidyasagar, Head, Ullas Trust

Team Ullas is proud to share with you that we have been able to reach out to more than 1,00,000 children in districts of Tamil Nadu, Andhra Pradesh, Maharashtra and NCR through the current year's campaign. The teams have come back with fond memories of the schools they visited and have personally experienced the exuberance of children. God Bless !

Vikas Misra, Head, Ullas Trust - Delhi Chapter

It is indeed a very proud moment for me to note that Ullas now has ignited 100,000+ young minds across India. I would like to take this opportunity to express my gratitude to all the volunteers of this unique movement. My special thanks to my colleagues in NCR region who have touched the lives of 6425 students across 48 schools under TTS program and mentor 816 students under Summit program.

Sudha Kunkalienkar, Head, Ullas Trust - Mumbai Chapter

TTS is a unique program that helps us reach the students across different parts of rural India. One should actually participate in the sessions to see the excitement in the students. School teachers and principals whole heartedly welcome Polaris teams for these sessions. I'm proud to be part of Ullas.

Aniruddha Dasu, Head, Ullas Trust - Hyderabad Chapter

Those of us who have had the benefit of a modern education and therefore have an access to decent life, have a responsibility in reaching out and supporting those children in the rural India. I am blessed that I got an opportunity to play a small role in our Ullas trust transforming the society in its own way.

Thankyou note from Rajeswary Vinoth, Manager, Ullas Trust
